Chapman Valley Manor

Thankful Tree

This November, our residents are sharing what they are thankful for by adding ornaments to our Thankful Tree! Each ornament holds a special message of appreciation. From family, to friends, good health, cozy blankets, and warm meals. This is a wonderful way to reflect on the blessings and little things in our lives. It's to spread positivity throughout our community. Reading these messages from our residents warms our hearts tremendously.

Veterans Day

In honor of Veterans Day, our residents gathered for a special program to recognize and celebrate the brave men and women who have served our country. We were honored to welcome Phi Xi Chapter of Omega Psi Phi who shared heartfelt words of gratitude and reflection about the importance of service and sacrifice. The residents enjoyed listening to the stories and experiences shared, and it was a meaningful time of remembrance and appreciation for all who have served for our country.

Resident Fun

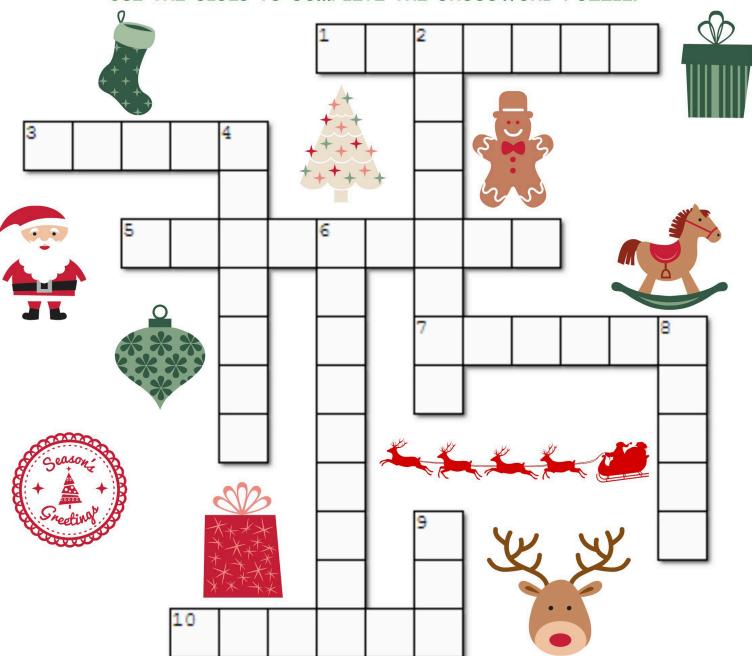

NJHS students have recently became volunteers here at Chapman Valley Manor! The students are assisting with activities, offering one-on-one support and have been engaging in meaningful conversations that have brightened all of the resident's moods! Their willingness to become involved and offer a helping hand has made such a positive impact upon our facility! We are grateful for their commitment to our residents; they look forward to welcoming them again soon!

<u>Holiday Joy</u>

This season, we're setting up a Holiday Joy Picture Corner for our residents! This is a festive spot decorated with twinkling lights, a Christmas themed back drop, and seasonal props! Residents can stop by to take fun, heartwarming photos to share with family and friends! It's a wonderful way to capture the true holiday spirit while making create memories to share with family and friends.

REMINDERS:

With winter season approaching us quickly, here are a few reminders for our transportation services!

To ensure the safety of our residents and staff, if temperatures become too low, we will reschedule appointments. Snow and icy roads can make travel conditions very dangerous. Our staff will make sure to watch weather forecasts and schedule around bad weather.
