## Resident Christmas Party

---

Residents enjoyed a joyful Christmas party made even more special by the presence of family members and loved ones. The room was filled with festive decorations, and warm conversation as families joined residents for seasonal treats. Staff members were an amazing help and helped to create a welcoming atmosphere. This allowed residents and their family members to spend quality time together celebrating the holiday season. The event was a meaningful reminder of the importance of connection, family, and happiness.

# Holiday Fun

Residents enjoyed getting into the holiday spirit by helping make festive “Reindeer Poop” treats during a Christmas activity. With smiles and laughter, residents worked together mixing together melted chocolate, covering the pretzel bites, and topping them with sprinkles. The hands-on activity encouraged creativity, socialization, and plenty of holiday cheer. Our residents loved doing this activity!

## Holiday Cheer

We LOVED making reindeers out of candy canes! This activity was inspired by one of our residents! She helped lead the group and did a fantastic job!

The residents had so much fun driving around town and seeing all of the Christmas lights! The residents most favorite lights was the light show on Jeep Rd! They had over 3,500 lights! It was incredible.
