National Nursing Home Week

This year's National Skilled Nursing Care Week theme, "Moments in Bloom," celebrates the joy, growth, and meaningful connections shared within our community. Throughout the week, residents have enjoyed a variety of spring-themed activities including flower planting, outside exercise, special treats, and lots of outings. From van rides and sonic drinks, having a floral tea party, planting flowers, attending a drive thru zoo, and ending the week with a BBQ!

Activities from Nursing Home Week

Christy Loy the Business Manager read the procolomation to kick off Nursing Home Week!

Hospice set up a table with a special chance for staff memebers to win a raffle prize!

Residents joined together to plant flowers!

Activities from Nursing Home Week

The residents enjoyed a formal tea party!
Residents had the option of wearing sun
hats or leis!

The residents that attended the Clay Center Drive
Thru Zoo had fun festive animal ears!

Upcoming Events:

June is shaping up to be a busy and exciting month for our residents and staff! We are looking forward to hosting a fun lemonade stand and bake sale fundraiser! Chapman Valley Manor is planning an upcoming car show for everyone to enjoy as a Father's Day special event. These events will bring opportunities for community involvement, and plenty of summer fun as we make new memories together throughout the month.

Reminders:

With tornado season approaching, please take a moment to familiarize yourself with the maps posted throughout the hallways that display evacuation routes. Being aware of these routes helps ensure everyone can respond quickly and safely in the event of severe weather. Thank you for helping keep our residents, visitors, and staff prepared and safe.

Chapman Valley Manor appreciates your support!
